## You have different interests / We have different opportunities

In the church there are plenty of volunteer opportunities and they are great ways to make friends in the city as well as engaging in activities that individuals already enjoy. Check out our website [coschurch.org](http://coschurch.org) or by using the QR Code below. On the 'Serve' file there are lots of ways to connect to programs and activities sponsored by the parish which serve congregational life, city life and our commitments to the world-wide wellbeing.

## The Christmas Pageant is back!
